- Excellent communication and organization skills
- Skate Canada qualified- copy of Professional Coach Membership card required
- Making Ethical Decisions

We are looking for a highly dynamic, energetic and motivated individual that would complement our team for the upcoming Winter/Spring 2015-2016 seasons. The Riverview Skating Club has been in the community for over 40 years teaching all disciplines skating to children and adults. We are located in West Hants Brooklyn NS. However this season we are operating out of Windsor Arena until our new Newport Arena is built and our club can resume its three day operating programs.

Our goal is to promote all aspects of skating for enjoyment, fitness and personal achievement. To provide a friendly, positive and safe place, where our skaters can have fun, develop their skills, and enjoy success as they meet their individual skating goals through all levels of skating from CanSkate to Competitive skating and Synchronized Skating.
