

Judge/Evaluator Committee Annual Report

April 2016

The 2015-2016 skating season is coming to a close and once again we have had a very busy year.

Thank you to members of the Judge/Evaluator Subcommittee Heather Dawe and Natalie Doroshenko for your assistance.

Our Section officials have also been very busy this year and we are very fortunate to have sufficient trained officials for all of our competitions with the exception of Synchro. That is an area we are still working on. Our officials once again provided support to the other Atlantic Sections to ensure they had enough officials for their events.
