

Awards Committee Report 2017-2018

Every year, the Awards Selection Committee is faced with the difficult task of selecting one “winner” in each category from the list of worthy candidates that are submitted. Should you nominate an individual who is not selected for an award this season, please consider nominating them again for consideration next year.

In addition to the Section and National Awards, the group was also responsible for nominating individuals and teams for the Sport Nova Scotia Support4Sport Awards, which will be presented May 26 at the Halifax Convention Centre.

Our proudest moment occurred on June 10, 2017 when we hosted the inaugural SCNS Hall of Fame Induction ceremony at the University Club on the Dalhousie University campus. Details of the contributions to our sport by the inductees (nine individuals and one team) may be found on our website under the History tab. By all accounts, the evening was a huge success and would not have been possible without the support of the committee, the Board of Directors, as well as family and friends. Although the Induction Ceremony will not be held in every calendar year, nominees will be accepted and reviewed on an annual basis for induction at future ceremonies.

On behalf of the Awards Committee, I would like to invite everyone to join us in supporting all of the nominees for the Section Awards as they are recognized off-ice at the SCNS AGM and on-ice at the Celebration on Ice taking place Saturday, May 5 at the St. Margaret’s Centre.

Respectfully submitted,

Terry Ackles
