Additional Information

Continuing as Member at Large on the SCNS board. I have been on the board since 2017 and have chaired both the Competition Committee and the Governance Committee. I am a Section level official (judge) with SCNS. I am also trained as a BLTO. I have been a volunteer for figure skating for many years; as far back as high school. My training in figure skating began in Nova Scotia and then continued with the USFS test stream throughout my high school years. When I returned to Canada for university, I completed the Skate Canada test stream up to Junior Bronze so I could become an official. I have PA'd for several figure skating clubs and volunteered as a skating instructor for Special Olympics at the then Metro Centre in Halifax. Figure Skating has always been a passion in my life and I enjoy giving back to the sport I love.
