

Skate Canada Nova Scotia

Website Upgrades 2020-2021

This year has marked some much-needed changes to the Skate Canada Nova Scotia website. Special thanks go out to Jill Knowles, Sheila Beard as well as our webmaster Jackie Atkinson for the recent revamping of our website.

On November 18, 2020 we initially met to discuss our next steps regarding the revamping process. Board members had been given the opportunity during the fall to view the current website and propose any changes. At the November 18, 2020 meeting Jill, Sheila and myself viewed other regional Skate Canada websites and brainstormed what we liked or disliked. It also gave us a bit of inspiration. Afterwards, we then viewed our own website to discuss what should be included, deleted, or moved.

We met again on January 24, 2021 to look at the proposed layout for the revamped website. Further changes were made before meeting with Jackie Atkinson at a later date for her expertise. Jackie then began the process of making changes. Throughout the process, Jill, Sheila, and I were able to give our input as needed. There was some trial and error as she began to refresh our new look. As things evolved it became apparent what additional changes or amendments still needed to be made.

After several weeks of working tirelessly in February, Jackie has provided us with an up-to-date new look that has proven to be more user friendly. Positive feedback has been received thus far. Moving forward we will be ensuring that the website is kept up to date and relevant.

Respectfully submitted,

Beth Norwood
Director Skate Canada Nova Scotia
