

## **South Shore Report 2021 - 2022**

The South Shore representing the Yarmouth Skating Club, Shelburne County Skating Club, Queens County Blades Skating Club and the Bridgewater Figure Skating Club had a good season with many of the skaters taking part in the STAR 1-3 competitions, Fall Skate Competition, Robert McCall competition and Provincials. Each club had a strong CanSkate registration this season! The QCB and BFSC were honoured to be a part of the Skating Skills Pilot Project conducted with Marie Bowness. The skaters and coaches took part in sessions with Marie to enhance the skills techniques of figure skating and to roll out a continuous skills lesson plan throughout the season. The South shore hosted a successful 2021 Fall Skate Competition held at Queens Place Emera Centre in Liverpool with over 200 skaters registered. There were two assessment days along the south shore which took part in the fall and spring. In 2021, QCB and BFSC had the opportunity to offer year long skating programs with ice availability in both Bridgewater and Queens.
